WRSP 70230 Brite Choir
(0.5 Semester Hours)

Instructor: STAFF

Prerequisites: None

Description of Content:
The Brite Choir provides musical leadership for the weekly Brite chapel services. Students gain experience in musical ministry through both choral and congregational singing. The choir performs excellent choral music from a variety of historical periods and musical styles.

Class Procedures:
The Brite Choir rehearses every Thursday at 12:00 p.m. in the Chapel. The choir sings for Brite Chapel every Tuesday at 11:00 a.m. during the semester, warming up prior to the service (~10:45 a.m.).

Requirements:
Students are expected to be present in mind, body, and spirit at each rehearsal and worship service during the semester and participate fully.

Texts: None.

Other required materials:
A sharp pencil for the marking of scores. Choir folders and music will be provided for every student but replaced at the student's cost if lost or damaged.

Grading Procedures:
Choir is a group effort, therefore attendance and participation at rehearsal and at chapel is of critical importance. Students who take choir for credit (0.5 semester hours) are eligible to receive a grade of “pass” or “no credit.” Students with more than 4 absences from rehearsal and/or chapel will receive a grade of “no credit.” The grade may also be impacted by attitude, promptness, and active participation.
