Student Accounts

In order to advance register for Spring 2016 courses, three-fourths of your account must be current. This includes Brite student housing rent, tuition, fees, and any miscellaneous charges that have been billed. If your account is not current, or if you have any questions, please contact Ms. Wendy Crowley, Director of Student Accounts, in Sadler Hall 2011 (or call 817/257-7836).

If your account is not current when Advance Registration begins November 9, 2015, my.tcu.edu will automatically block your advance registration for Spring 2016. You may find classes full if you register at a later time.
