**“Promises” by Antoine Bradford**

Verse 1:

Colder the days and deeper the nights  
Is where Your love shines  
And in my lowest place, in the highest of heights  
with You, I'll abide

Bridge:

Where all of my cares  
don't seem to worry me anymore  
And all of Your grace will,  
grace will carry me in Your arms

Chorus:

And I can't help but sing  
Sing with all my heart  
Of Your promises  
No, I can't help but sing  
Sing with all my heart  
Of Your promise  
Your promises to me  
Your promises to me

Verse 2:

And neither life nor death, joy or depression  
Can sway Your affections

'cause all throughout the years you've  
remembered  
your love, your love for us

Bridge:

Where all of my cares  
don't seem to worry me anymore  
And all of Your grace will,  
grace will carry me in Your arms

Chorus:

And I can't help but sing  
Sing with all my heart  
Of Your promises

**"Higher Love" by Steve Winwood**

Verse 1:

Think about it, there must be higher love  
Down in the heart or hidden in the stars above  
Without it, life is wasted time  
Look inside your heart, I'll look inside mine

Bridge:

Things look so bad everywhere  
In this whole world, what is fair?  
We walk blind and we try to see  
Falling behind in what could be

Chorus:

Bring me a higher love  
Bring me a higher love (oh oh)

No, I can't help but sing  
Sing with all my heart  
Of Your promise  
Your promises to me  
Your promises to me

Chorus:

And I can't help but sing  
Sing with all my heart  
Of Your promises  
No, I can't help but sing  
Sing with all my heart  
Of Your promise  
Your promises to me  
Your promises to me

Bring me a higher love  
What's that higher love I keep thinking of?

Verse 2:

Worlds are turning and we're just hanging on  
Facing our fear and standing out there alone  
A yearning, and it's real to me  
There must be someone who's feeling for me

Bridge:

Things look so bad everywhere  
In this whole world, what is fair?  
We walk blind, and we try to see  
Falling behind in what could be

Chorus:  
Bring me a higher love  
Bring me a higher love (oh oh)  
Bring me a higher love  
Where's that higher love I keep thinking of?

Bring me a higher love (oh oh)  
Bring me a higher love  
I could rise above on that higher love

Chorus:  
Bring me a higher love

Bring me a higher love  
Bring me a higher love (oh oh)  
Bring me a higher love  
Where's that higher love I keep thinking of?

**Prayer for the Global Community, Erma Sinclair, M.Div. Student**

**“All Belong Here” by The Many**

Verse 1:  
When you're not sure who you really are  
When all you feel is the shape of your scars  
And you have more wounds  
than you can count  
Open your eyes, look all around  
You aren't alone, this is your home

You aren't alone, this is your home

Chorus:  
Come and remember who you are here  
Do this to remember who I am  
Come and remember you belong here  
All belong here

Chorus:  
Come and remember who you are here  
Do this to remember who I am  
Come and remember you belong here  
All belong here

Verse 2:  
When you don't know how to forgive  
When locked doors seem like the only way to live  
And you've got more questions  
than you can count  
Open your eyes, look all around

Bridge:  
At this table come as you are  
Broken and bleeding's ok  
At this table eat and be filled  
Come and drink in this grace

At this table come as you are  
Broken and bleeding's ok  
At this table eat and be filled  
Come and drink in this grace

Chorus:

Come and remember who you are here  
Do this to remember who I am

Come and remember you belong here  
All belong here

**“Carry” by Joy Oladokun**

Verse 1:

As we awake to face day,  
just thought I'd take the time to say  
I'm glad to be alive  
Breathing right in time with you

Verse 2:

You and I are nothing new  
Just two old souls that will fade into  
the everlasting grace  
But before we fade  
We've got a lot to do

Chorus:

'Cause can't you see this world is chaos in color?  
It's wild and strange, but it's wonderful too  
If the weight of it ever tries to pull you under  
know this much is true  
We were made to carry each other  
and I'm here to carry you

Verse 3:

You and I have storms we'll face  
but every cloud is lined with grace  
The morning comes to break  
the hard and heavy chains  
of the night that tried to hold you

Verse 4:

You and I have dreams to chase

We've got lives to lead, no time to waste  
and there's no need to wait  
Yeah, we know that love's  
where we were made to be

Chorus:

'Cause can't you see this world is chaos in color?  
It's wild and strange, but it's wonderful too  
If the weight of it ever tries to pull you under  
know this much is true  
We were made to carry each other  
and I'm here to carry you

Bridge:

Oh, I was made to carry, carry you  
One day you're gonna carry, carry me too  
Oh, I was made to carry, carry you  
One day you're gonna carry, carry me too

Chorus:

This world is chaos in color  
It's wild and strange, but it's wonderful too  
If the weight of it ever tries to pull you under,  
know this much is true  
We were made...  
We were made to carry each other  
and I'm here to carry you
