

The Religion of Race: The Demonic in the Everyday Workings of Things

Saturday, October 10, 2015
9:00 a.m. to 1:45 p.m.
Northway Christian Church, Dallas

In this seminar participants will explore how it is that the idea of race has created a way of understanding the world which affects our understanding of God and ourselves; more often than not in unhelpful ways. A significant part of our exploration will be about how we might interpret our lives and the life of the Church in ways that might be a witness to the wholeness and flourishing which God desires for us all in the face of this false religion.
